## A JOY-FILLED SEASON AT HOLY LAND FARMS

There is so much to be thankful for at Holy Land Farms. The chapel, cross, amphitheater, and bathhouse are now complete and already serving as spaces for worship, reflection, and gathering. Each part of the property continues to come together with intention and prayer.

Our grounds are open from sun up to sun down, welcoming visitors to walk the paths, enjoy the scenery, and spend meaningful time here. From quiet moments of prayer to special photos and shared experiences, this place is here for churches, families, and the community.

More than **30 churches partnered together** to make Godstock possible, demonstrating a beautiful picture of the Body of Christ coming together for one purpose—lifting high the name of Jesus.

We're excited about what's ahead as we prepare for future events and opportunities for fellowship. When you support Holy Land Farms through our online shop—featuring honey, apparel, and more—you help make this mission possible. Thank you for being part of the journey and all that God is doing here.

# Easter Sunset Service

Saturday April 4th, 2026

The first Easter service at Holy Land Farms will be held at sunset at the Cross, creating a meaningful time of worship set against the natural beauty and peaceful surroundings of the land. This reverent gathering will bring the community together to celebrate the resurrection of Jesus Christ and the hope, renewal, and promise it represents. As the sun sets, attendees will have the opportunity to reflect, worship, and rejoice in the foundation of our faith. This special evening marks the beginning of what we pray will become a lasting tradition of Easter worship, fellowship, and celebration at Holy Land Farms for years to come.

## PHASE TWO: BUILDING FOR THE FUTURE

We are thrilled to share updates on Phase Two of Holy Land Farms, and we are deeply thankful for every contractor, volunteer, donor, and partner who has had a hand in shaping this ministry. Your time, generosity, and hard work are helping build a place where lives are changed and Jesus is glorified.

Here's what's next:

- **Road Gravel Installation** — prepping the property for future growth and easier access for all visitors.
- **A Long Scenic Trail** — complete with multiple benches for rest, reflection, and prayer.
- **The General Store** — a welcoming space for resources, merch, refreshments, and connection.

Each of these steps brings us closer to fully realizing the vision God has given us for this land.

## A SPECIAL PARTNERSHIP: Go Serve Global

We are incredibly grateful for our partnership with Go Serve Global, who generously provided 10 silos that will be transformed into cabins for retreats, gatherings, and ministry events.
